

## Dates For Your Diary

Last year, Christmas at school was very different and this year we have planned all of these events as we desperately want to bring back the Stephenson Christmas Spirit for our children. We do need to make you aware that things can change quickly, especially when it involves COVID and arrangements may need to be altered or postponed according to the advice we receive from Public Health. However, we have everything crossed that this won't be the case and we can enjoy spending this special time together with you!
